

## Mabroc Teas Awarded Three Stars in 2026

Our flagship Mabroc Night of 1000 Stars has earned Three Stars at the Superior Taste Awards the highest distinction, judged by Michelin-starred chefs and sommeliers.

Organized by the International Taste Institute, Brussels, this award recognizes exceptional quality, craftsmanship and taste a proud international milestone for Mabroc.

This recognition reflects our commitment to excellence, using only the finest natural tea leaves, carefully harvested and crafted to preserve their unique flavor and aroma. Each cup delivers a rich, layered taste with a long-lasting sweetness and lingering aftertaste, capturing the essence of true premium tea.

At Mabroc, we believe that world-class tea speaks for itself and it only needs to be tasted. In 2026 the world celebrates this extraordinary creation: Mabroc Night of 1000 Stars a tea continuously recognized by global taste authorities.
